THEATRE RENOVATION UPDATE

Strand Theatre renovations have been occurring as finances permitted over the past several years. Through a recent donation by Gene and Joan Gray, we are thrilled to announce the renovation of the interior structure is now complete. The space was a little rough to start, but with many hours of volunteer work, we now have an office located on the premises. Our sincere thanks and gratitude to everyone who has supported our efforts in maintaining this 100-

year-old historic theatre. The Strand continues to be a cultural asset in which our community can be proud.
